The National Alliance for Accessible Golf provides both expertise and guidance in all aspects of the Alliance's business and strategic priorities, while focusing on its mission to increase participation of people with disabilities in the game of golf through awareness, education, training initiatives and program funding.

###

The National Alliance for Accessible Golf is a charitable organization working to ensure the opportunity for all individuals to play the game of golf. The Alliance is represented by major golf organizations in the United States, organizations that provide services for people with disabilities and other advocates. Through GAIN™ (Golf: Accessible and Inclusive Networks) and other programs, the Alliance promotes inclusion and awareness to the golf industry, golf instructors, and the public.
